

LETTER OF ACCEPTANCE: MSc PROGRAM AT University OF JUBA (UoJ)

Dear Collins Mwiti Kimathi, I am delighted to inform you of your selection for admission to the MSc program at University of Juba under the Strengthening Education and Research in Agroforestry (SERA) Project.

The SERA Project is a European Union-funded initiative that brings together seven universities across Africa and Europe to strengthen education, research, and innovation in agroforestry as a key strategy for climate change mitigation and sustainable development. Your admission follows a rigorous and highly competitive selection process and reflects your outstanding academic achievements, the quality of your research proposal, and your strong potential to make significant contributions to the field of climate-smart agroforestry. We are delighted to welcome you as one of the SERA Project scholars and a valued member of our research community.

Your MSc studies will be hosted at University of Juba, South Sudan, with an expected duration of up to 24 months and a proposed commencement date of September 2026. This offer of admission is subject to your formal acceptance of the scholarship and the subsequent signing of the Scholarship and Study Agreement with the SERA Project Coordinator at University of Juba, Dr. Malik Doka, no later than 15 July 2026.

To proceed with your admission, please complete and return the attached Acceptance Form. You will also receive additional information from Dr. Malik Doka regarding the Student Contract and the Pre-Arrival Information Guide.

On behalf of the entire University of Juba and the SERA Project partners, I warmly congratulate you on your selection. We are confident that your contributions will be invaluable to the success of the project. We look forward to supporting you throughout your MSc project and celebrating your future achievements.

Yours sincerely,

Dr Anagaw Atickem, SERA Project coordinator,

Addis Ababa University, Department of Zoological Sciences, Tel: +251944252239
